Applicant(s)

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative argued that the prior art fail to teach all of the claim limitations such as the female engagement structure. The Examiner directed Interview participants attention where the claim limitations of instant invention were anticipated by the prior art reference. Participants requested consideration of a proposed amended claims filed 11/14/2007. The Examiner informed Participants that the proposed amended claims did not appear to overcome the current art rejection. Applicant's representative informed the Examiner that further amended claims may be submitted. However, if the Participants would the Examiner to consider the proposed amendment filed 11/14/2007, or a future amendment, such amendment(s) should be formally submitted and the Examiner will consider any amendments after final in accordance with after final practice.
